

Introducing

ACUMEN! 5.0

Business Analytics Suite

Seeking intelligent solutions to increase efficiencies, reduce costs, and collect more money? End the search with Acumen!

The Acumen! Business Analytics Suite works hand-in-hand with your Columbia Ultimate collection software to produce highly accurate and competitive scoring data and also includes a performance dashboard to monitor your KPIs and easy-to-read graphical reporting.

- Find and apply the most effective debt recovery strategies for each amount
- Forecast payment probabilities and uncover "hidden" dollars
- Reduce operating costs

Simply put, Acumen! helps you make better business decisions, increase recoveries and enhance your return on investment.

NEW! Scoring and Scrubbing through eBureau

Acumen! 5.0, our upcoming release, includes a fully integrated scoring and data scrubbing solution through our partnership with eBureau.

Acumen! 5.0 lets you:

- Experience the combined convenience of scoring and scrubbing at time of placement for new accounts
- Combine internal attributes with the rich data sources of eBureau for superior scoring ability
- Automate Score/Scrub of data throughout the life cycle of an account
- Return 3 phone #'s, 3 addresses, bankruptcy and deceased info

Contact us today at 360.260.9780 to find out how Acumen! applied analytics and our other products and services can enhance your organization's profitability.
