**Financial Recoveries Looks to The Intelitech Group's Acumen!
Business Analytics Suite to Strengthen Collection Services**

New Jersey agency picks Acumen! suite to improve debt recovery decision making and boost its clients' bottom line

Vancouver, Wash. – September 29, 2009 - The Intelitech Group, a business consulting practice and technology solutions provider for the collection industry, announced today that Financial Recoveries, a Mount Laurel, NJ collection agency, has selected the Acumen! analytics suite to strengthen the agency's debt recovery processes and profitability.

Acumen! is a business analytics suite that offers critical solutions and tools designed to help agencies be more successful in their collection efforts, and improve profitability. The suite includes highly accurate and competitive scoring data, a performance dashboard to monitor Key Performance Indicators (KPIs) and an easy-to-read graphical reporting tool.

"For collection agencies, success is increasingly tied to the use of advanced technology solutions," said Tom Minuchi, director of operations at Financial Recoveries. "Integrated with our current FACS software system, we look to Acumen! to improve the timeliness and quality of decision making, as well as the effectiveness of our debt recovery processes," Minuchi said."

“Advancement in analytics technology is creating opportunities to help agencies win a competitive advantage and compete more effectively in today’s economy,” said Doug Gregg, senior partner, The Intelitech Group. “The key to success for agencies is having business intelligence tools like scoring, payment probability forecasting, and reporting dashboards that offer a complete view of collections to enable agencies to pinpoint the right account at the right time,” he explained.

With over 40 installations of Acumen!, agencies are benefiting from best-in-class analytics to profile and score accounts, track costs and produce specialized reports and graphs to make sound business decisions and implement optimal work flows and business strategies for ever-greater profitability.
