Ben Moulton Named Associate Partner at The Intelitech Group

Collection industry veteran will work with collection agencies to deliver analytics solutions designed to improve recovery results

Vancouver, Wash. – December 1, 2009 - The Intelitech Group, a business consulting practice and technology solutions provider for the collection industry, today announced the appointment of Ben Moulton as associate partner. Based in Muncie, Indiana, Moulton will work with collection agencies to strengthen their debt recovery processes and profitability with The Intelitech Group's unique mix of consulting and business analytics suite, Acumen!.

Acumen! is a business analytics suite that offers critical solutions and tools designed to help agencies be more successful in their collection efforts, and improve profitability. The suite includes highly accurate and competitive scoring data, a performance dashboard to monitor Key Performance Indicators (KPIs) and an easy-to-read graphical reporting tool.

“Ben Moulton is a strong addition to The Intelitech Group’s team, offering our clients a combination of collection industry experience and knowledge of analytics solutions,” said Doug Gregg, senior partner at The Intelitech Group. “He joins The Intelitech Group at a challenging time for the industry as agencies struggle to stay profitable in a difficult economy. Moulton’s

focus at The Intelitech Group will be to help our clients deploy Acumen! to boost their collectors' productivity and overall profitability.”

Moulton moved into the collections industry in 2001 when he joined Ontario Systems. He spent nine years at the company in a variety of management and national and mid-west regional sales positions. He holds a Bachelor of Science degree in Political Science from Ball State University, Muncie, Indiana.
