

A Fun Way To Train Collectors and Stay Compliant

StackUp introduces a non-traditional way of training that is simple, trackable, flexible and engaging.

Play to Learn

StackUp is a game designed to keep Collectors engaged, informed and motivated. Managers can customize the game for their team, track performance, and provide inexpensive ongoing training. Collectors earn cash prizes, accolades and certifications.

Your Collectors Will Learn:

FDCPA, FCRA, HIPAA, GLBA, TCPA

Stay compliant and informed on industry regulators

Communication Techniques

Phone etiquette and best practices for recovering on the phone

Collection News

Stay updated with the latest industry changes and trends

“StackUp allows us to continuously focus on compliance while still keeping it fun and competitive.
